

National Gas Rules

Form 2 notice - Request to the Adviser to establish a DRP

Under rule 237(2) of the National Gas Rules, a compensation claim by a Registered participant is taken to be a dispute for the purposes of Part 15C to which the parties are AEMO and the relevant participant. The dispute processes apply only to the extent specified in rules 237 and 238.

This notice is a request under rule 237(6) for the Adviser to establish a Dispute Resolution Panel in accordance with rule 135HD.

To: WEMDRA - Shirli Kirschner

PO Box 15,

Paddington NSW 2021

From: AEMO

Name of person:

Title:

Email:

Mobile:

Claim under rule: 344 (intervention) or 350 (administered price cap). *Delete as applicable*

Participant (s)	DMC Name	Email	Mobile

1. Specifics of claim

Rule	Provision	Answer	Comment
Rule 237(1)	Date of the Notice of the participants claim:		(Please attach)
	Date of final statement for relevant gas day(s) referred to in the claim (claim must have been within 10 business days of this date):		
Rule 237(3)	Date specified by participant from which AEMO has 5 business days to request the Adviser establish a Dispute resolution panel (DRP):		

Rule 237(6)(b)	Expected date for referral of claim to Adviser for DRP determination:		For logistical reasons
Rule 237(5)	Please confirm that the claim was not withdrawn by the Registered participant:		Please notify WEMDRA in the unlikely event this changes
Rule 237(10)	Please provide link to current compensation procedures:		If none, please explain

2. Information for consultation on a DRP

2.1 AEMO's view on number of DRP members:

2.2 Participant's views on the number of DRP members if known:

2.3 Skills considered useful: legal, economic, market design, other.

2.4 Names of persons AEMO would like the Adviser to consider in constituting any DRP. Please provide contact details if they are not currently members of the pool as published (see [pool](#) here).

For suggestions other than those on the pool-type of skills they have:

Name:	
Technical expertise:	
Contact Details if not on the pool:	
Referee if not on the pool (if possible):	

3. Other interested participants

Rule 238(1) provides that if the DRP determines an amount of compensation payable by AEMO to a Registered participant under rule 344 or 350, it must also determine the amounts to be paid to AEMO by Market Participants and the declared transmission system service provider (in total to equal the compensation payment amount).

3.1 Is there a list of the participants who would be required to fund any compensation payment amount determined by the DRP?

IF yes, what process (if any) is in place to notify such Participants of the DRP and their potential liability?

4. Other relevant information or Requests

Thank you

This form 2 135 HD is approved by the Adviser and is Current as at 14 August 2022
